16 April 1998

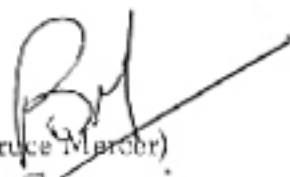

Dear Warwick

I would like to congratulate you and your family on a great show on 14 April 1998.

The feedback I have received is that both staff and inmates enjoyed the show and I am most appreciative.

I find it inspirational that people like yourself are so focussed on the Lord and spreading his word through the tool of music.

I look forward to seeing you soon. Thank all the guys from me. God Bless.
