To Whom It May Concern:

It is my great pleasure to highly recommend to you my friend and brother in Christ, Warwick Marsh. I have known Warwick for nearly 30 years as I pastored at the Lighthouse Christian Centre, in Wollongong, New South Wales where he ministered in various roles. Since then, Warwick and his wife Alison with their family, have been greatly used in Australia and internationally in music and teaching to inspire people to follow God.

In Warwick one has a truly fine Christian man, particularly in his inspirational worship leading, his ecumenical collegiality, and his passion for God. It does not take long to realize that Warwick is deeply committed to Christ and nurturing people in the Christian faith. Everyone who knows him recognizes this, and mentions this about him. His personal manner is mature and respectful.

Warwick is passionate about his calling to worship, his personal life in Christ, his family and his ministry. He is genuine and sincere. He is a man of integrity. Warwick sincerely cares about every person he meets, treating every encounter with care and spirituality. He is an inspiration.

I enthusiastically recommend him to you.

Sincerely in Christ,
